## Solid Surface

Solid Surfaces are Crafted with a unique blend of acrylic resins and natural materials. They are available in sheets that can be cut, shaped and formed into a boundless range of designs. Unlike other surfacing materials, it can be repaired and restored to their original condition when desired. These solid surfaces can be fabricated and installed in both residential and commercial applications with inconspicuous seams giving your interiors unmatched durability and design flexibility.

## Modular Kitchens

At Lakshmi Enterprises we offer the taste of aesthetics and functionality together. We bring you world-class Modular Kitchens which are not only stylish but guarantees durability as well. A perfect blend of beauty and utility, we use international quality raw materials and kitchen accessories imported from around-the-world which is stunningly beautiful and sturdy at the same time.

## Veneers

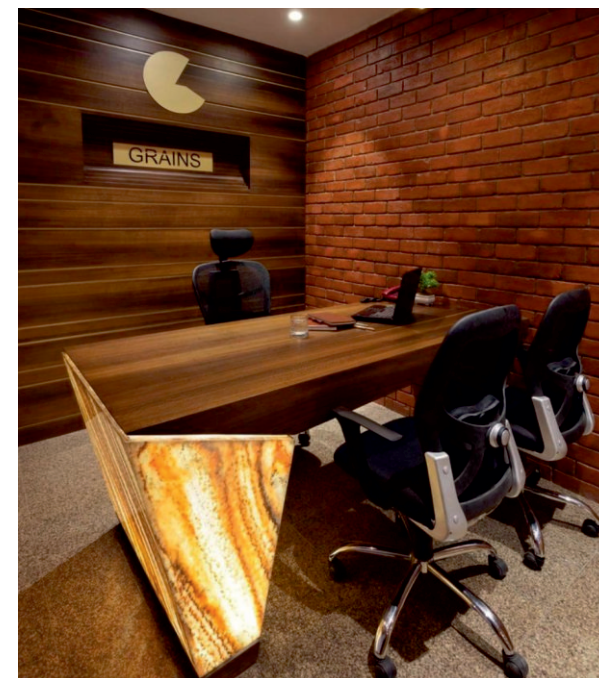

## Timeless and Beautiful

Traditional, modern or avant-garde – wood veneer is playing a large role in all forms of interior design for homes, corporations and commercial spaces. The warmth and natural beauty of wood with knots, texture, grain and the variety of tones, creates not just a luxurious feel, it gives a sense of nature at your fingertips.

## Modern Interior Design with Wood Veneers

From Birds Eye Maple to Cherry Veneer, the way in which veneers are added to furniture, kitchen cabinets, feature walls or boardroom tables, can create sophisticated contemporary looks. Pair glass and aluminum with a strip of dark veneer for a juxtaposition of the most modern materials. Wrap thin wood veneer in different colors around a hanging light fixture for soft light and a one of a kind look. There are a multitude of uses for the enormous variety of wood veneer products.

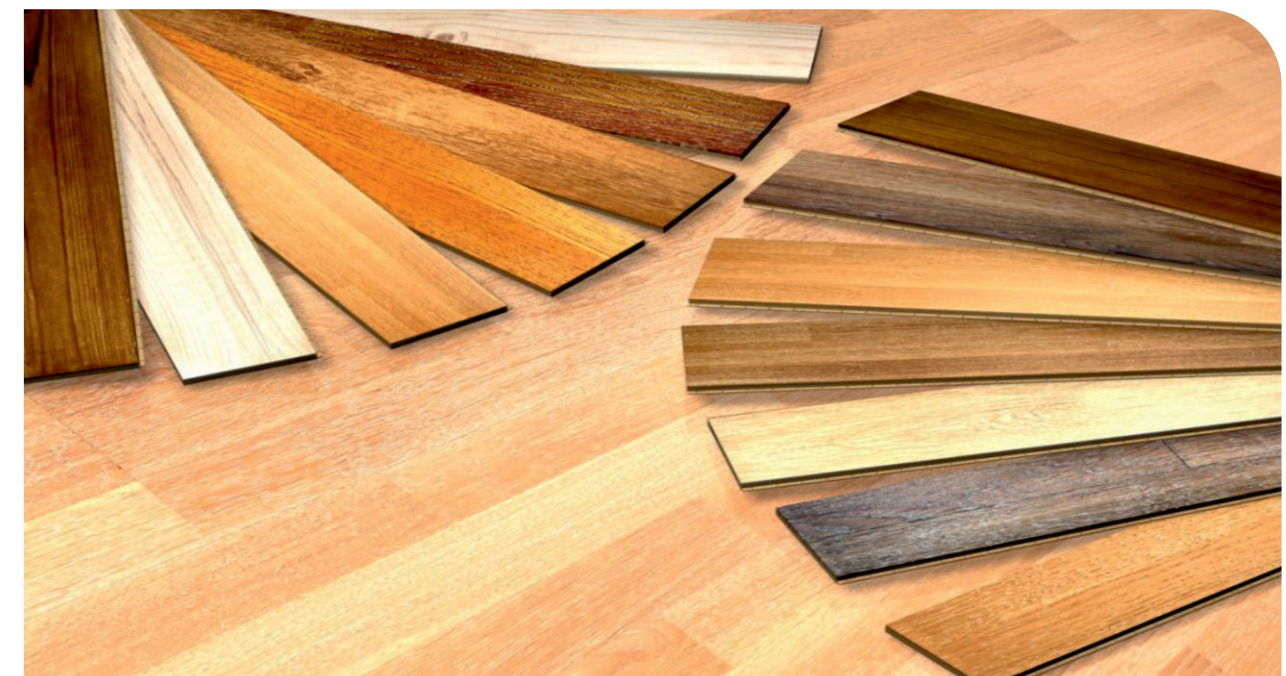

## Flooring

Our range of flooring products includes Laminate flooring, Vinyl flooring, Real Wood flooring, Engineered Wood flooring with something to suit all lifestyles and budgets. In addition, we also provide a wide range of flooring accessories, including door bars, underlay, beading and skirting to accompany your new floor.

Laminate flooring is a versatile, practical and cost-effective solution for all rooms, including high traffic areas such as living rooms and kitchens. Not only laminating is more affordable, it is also much easier to keep clean, resistant to damage and exceptionally durable.

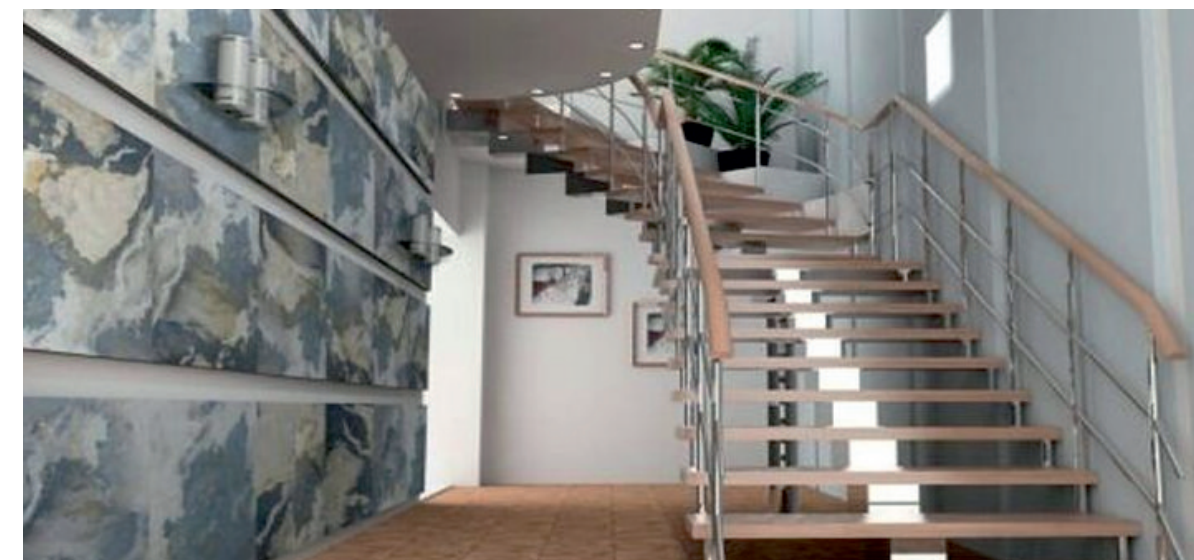

Without the need for glue, staples or nails, most laminate flooring simply clicks into place, making it ideal for those who are looking for a stylish, hassle-free flooring solution.
